

# SPRINT REVIEW IS ONE OF THE 5 KEY SCRUM MEETINGS.

## **The meeting format:**

Held at the end of the sprint but before the sprint retrospective.

Attended by everyone: product owner, Scrum team, Scrum Master, stakeholders.

Recommended duration is up to 4 hours.

Sprint result is presented as a demo.

1

## **Main purposes:**

Review the product increment.

Cover potential changes to the product backlog.

Checking if the external situation affects the project.

Discuss how the sprint went in general.
