

7 MANAGEMENT STYLES TO KNOW

Democratic

make your team feel cared about and encourage collaboration

Visionary

be creative and inspiring, and encourage confidence in the future

Coaching

invest in a team's long-term development and prioritize their experience

Transformational

inspire, push, and challenge to go past a team's comfort zone

Authoritarian

control and approve every task while making all decisions

Laissez-faire

monitor your team's work but don't intervene unless there's an issue

Transactional

use extrinsic motivation to make your team work hard
